PROFILE

Currently completing my second year of a Bachelor's Degree of Technology in Computer Science at the IUT of Annecy, France, I am looking for an internship to expand my knowledge. Serious and motivated, I am passionate about development and adaptable to new technologies such as HTML/CSS, Javascript, PHP, C#, SQL (PostgreSQL), Linux/Ubuntu and Windows. I am dynamic, self-sufficient, and know how to work both independently and as part of a team.

WORK EXPERIENCE

Usmb Annecy, France : Team University Project

- Use of the Agile methodology and UML diagrams.
- Creation of a PHP website with Laravel and design of its SQL database.   2025 – 2026

Ambérieux en Bugey, France : Shelf Stocker – Netto Store

- Supervised and organized store shelves in collaboration with the store manager.
- Maintained shelf appeal and ensured compliance with presentation standards   July/August 2025

Ambérieux en Bugey, France : Assistant Basketball Coach

- Coached and trained a youth basketball team in collaboration with the head coach.
- Contributed to the preparation of training sessions (technical, tactical, and physical drills)   2022–2023
